Docket No. 05-82

**PETITION OF AT&T COMMUNICATIONS OF NEW ENGLAND, INC.
TO INTERVENE**

Pursuant to 220 CMR 1.03, AT&T Communications of New England, Inc.

(“AT&T”) hereby petitions the Department of Telecommunications and Energy

(“Department”) for leave to intervene as a party in this proceeding. The business address of AT&T is 99 Bedford Street, Boston, Massachusetts, 02111. In support of its petition, AT&T states as follows:

1. AT&T is a common carrier of telecommunications services certified by the Department to provide a broad range of residential and business telecommunications services in the Commonwealth of Massachusetts.

2. As a common carrier providing such services, AT&T will be subject to the requirements relative to 811 services that the Department orders in this docket. Accordingly, its operations and costs will be substantially and specifically affected by any order or orders in this proceeding.

3. In intervening in this docket, AT&T seeks to keep itself informed of proposed requirements and to protect its interests.

4. The persons who should be included on the official service list and to whom all notices, correspondence, and other communications regarding this proceeding should be directed are:
